A visit to the Malawian High Commission with delegates - **JEYAX DEVELOPMENT AND TRAINING**

## JEYAX DEVELOPMENT AND TRAINING

# ABOUT US

JEYAX is a leading African Global strategic capacity building, training, events management suite, research and consultancy service provider. JEYAX is governed by a board of directors with a

wealth of combination of expertise, knowledge and experience gained over years of practical work in leading international and regional organizations in Africa and beyond.

Jeyax team - JEYAX DEVELOPMENT AND TRAINING

# DIRECTOR'S MESSAGE

“Compliments of the new season, new year, and a new beginning in 2026! 2030 is fast approaching, and it is time to measure gains and to plan for the “future” as we navigate new beginnings and build on already existing achievements.

2025 was a huge milestone at JEYAX as the company attained its 15th birthday on 23 December! We look forward to the next years with great excitement as South Africa hosts the G20, considering that JEYAX is central to various developments as we partner with various agencies.”

*We brand ourselves as a Five Star Global African Skills, Development, Training, Capacity Building & Development Institute.*

**Our Motto is:** To develop Africa **from within** through **professional, Sustainable Services**.  
**Our Mission:** is to Effectively **Strengthen Management Capacity, Technical Expertise** and Systems towards Institutional Sustainability.  
**Our Vision:** is to Become the **Leading Capacity-Building Solutions Provider** in a Rapidly Changing World.

JEYAX has attained milestones, counted one by one. From humble beginnings on Pretorius Street in the city center of Pretoria, to interaction and engagement with global communities as organiser of the Organisation of European Economic Commission – African Union (OECD-AU) Artificial Intelligence (AI) 2nd Working Group in Cairo in November 2024, to working with the Foreign Commonwealth Development Office (FCDO) UK, as well as with regional organisations including SADC-GMI, AMREF, Care International, The Commonwealth University and the British Council, Care International, USAID, IIE, GIZ and USAID. We continue to collaborate with various countries globally, with Africa at the forefront of our support. We remain deeply grateful to all our

partners who have walked hand in hand with us during both challenging and prosperous times.

Our training venues have also reached greater heights, providing clients with access to innovative and state-of-the-art facilities. JEYAX is indeed gifted with immense talent within our faculty, staff, and participants from diverse sectors. Our staff have a complement of bilingual skills including English, French, Portuguese, Kiswahili, and other African languages. We promote cross-cultural pollination as we strive to contribute to building a peaceful, progressive Africa for all.

We run online and virtual events including training, webinars, and conferences on various platforms including Zoom, Google Meet, MS Teams, and SKYPE, as well as e-learning courses on our Learning Management System (LMS). We also work closely in consortiums with our partners to leverage synergies, and our able facilitators have a plethora of experience including IT-based solutions. All our facilitators are experts in their own fields and have a minimum of a Master's degree and PhD / or commensurate experience.

JEYAX specialises in designing and delivering practical, context-specific programmes through a collaborative approach across industry.

We operate in an integrated corporate approach, realizing that no one in an organisation operates as a silo. We draw from global best practices while ensuring that solutions are tailored to the realities of Africa and other emerging economies.

At the heart of our work is a strong belief in partnerships and collaboration. We work with governments, regional bodies, international organisations, and the private sector to drive sustainable impact. Our training and development programmes are anchored in participatory learning approaches that empower participants to become navigate various challenges and to become change agents in their organisations and communities.

Through our commitment to excellence, innovation, and inclusivity, JEYAX continues to shape the future of learning and development — preparing today's workforce for tomorrow's challenges.

As we embark on the 2026-2027 plans, I am excited to share key priority engagements including: Curriculum Enhancement, Technology Integration Support, enrichment of programmes through partnerships with industry and research institutions beyond borders. We believe that learning extends beyond the classroom. Strong Community Engagement through our CSR initiatives, Partnerships and Collaborations, and feedback through regular communication channels remain paramount. It is my strong belief that given an opportunity, our delegates will enjoy maximum learning experiences and they will continue to prove to be assets in organisations. We extend a warm invitation to organisations/-companies looking for training and other services to our serene campuses for exceptional learning experiences. We have now established new independent Consulting and Conferencing/Events Management and Tourism departments that work in an integrated manner with our core departments to meet the needs of our diverse stakeholders. To this end, we support all consultancies in management, strategic planning, research, and events management.

JEYAX remains the leading African footprint Capacity Building, Skills Development and Training Institute with operations globally. Our partners from Governments, Government Agencies, Corporates/Private Sector, Civil Society, Regional Organizations, International and Intergovernmental Organisations, and individuals have fully taken advantage of our offerings. Our passion for Career Development and Skills Advancement continues to inspire us as the leader in the industry through mentorship, benchmarking and study visits that suit your requirements, as well as international, regional, national and in-house and tailor-made trainings, e-learning, virtual courses, research, consultancy, and events management to equip you with skills to function in your various portfolios.

Our courses are convened in various destinations including South Africa, Kenya, Rwanda, Uganda, Tanzania, Nigeria, Dubai, USA, Singapore, Malaysia, UK, Mauritius, Turkey, Namibia, Botswana, and any other destination of interest to our partners.

We wish to thank all our esteemed delegates and partners for the commitment to making JEYAX the success that it is.
